specifically?**

Transform the World

Meta Model Exercise

1. Take notes...word for word.
2. If you do not understand how the problem is a problem ...
3. Ask, **“How is that a problem?”**
4. Send Client Away (if needed)
5. Develop Responses from Meta Model
6. When the client comes back say,
“A moment ago you said...”
7. Deliver the Response(s)
